## OUR FAMILY. OUR HERITAGE.

### *Our Passion.*

#### ROOTED IN ITALY. BUILT IN AMERICA.

Nicolina and Arsenio Carabetta immigrated from Italy with a dream, a strong work ethic, and a deep love for authentic Italian cuisine. Starting from nothing, they built a business from the ground up in 1975, driven by their passion for food and their dedication to quality.

#### FROM HUMBLE BEGINNINGS TO INDUSTRY LEADERS.

What began as a small operation making frozen pasta entrées soon grew into a full-scale food manufacturing company. Our commitment to flavor, innovation, and excellence allowed us to expand beyond our roots—evolving into a trusted partner that manufactures sauces, meals, and custom food solutions for many of the biggest brand names in America.

#### A FAMILY EFFORT. A LEGACY OF GROWTH.

Their children—Phil, Peter, and Maria—started alongside their parents, learning the business from the inside out. Together, they built more than a company; they built a legacy. Today, that legacy continues strong as we proudly operate as a third-generation family business, with the same values that started it all—hard work, integrity, passion, and a commitment to those we serve.

#### FAMILY FIRST

Our family values are the foundation of everything we do.

#### QUALITY ALWAYS

We never compromise on ingredients, process, or people.
