## OUR STORY.

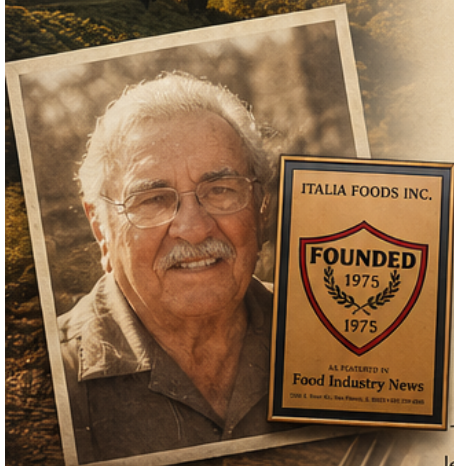

FAMILY. TRADITION. QUALITY.  
BUILT FROM ITALY. MADE IN AMERICA.

Italia Foods, Inc. was founded in 1975 when **Nicolina and Arsenio Carabetta** immigrated from Italy with a dream, a strong work ethic, and a deep love for authentic Italian cuisine. With nothing but determination and heart, they built their business from the ground up.

What began as a small operation producing frozen pasta entrees soon evolved into something much greater. Driven by their unwavering commitment to quality and flavor, they expanded into manufacturing sauces and fully prepared meals—becoming a trusted partner to many of the biggest brand names in America.

Their children, Phil, Peter, and Maria, started alongside them, learning the business from the ground up and helping guide Italia Foods into the future. Today, their legacy continues into the third generation, as the Carabetta family remains dedicated to excellence, innovation, and family values.
